Please email Christina {cmschmidt@q.com} or Kim {kim.welch@live.com} with questions.

**ATTENTION GROUP LEADERS:** Please note that participants performing in an act are not restricted from also participating in one other act performed by a large, organized group to which they belong. (eg. an individual piano performance + involvement in a Cub Scout den skit). However, if we experience a large number of acts wishing to perform, we may need to adjust this policy to ensure maximum total participation from the student body.
