Prior to attending the Open House, please visit with your child about their daily schedule and have them map out the route for you. Their schedule can be printed online through the Parent Portal under the 'Report' section. We will have your child's schedule and map of the school available in at the main entrance if you need a copy.

The goal of our Back to School Open House is to allow each of you to meet your child's teachers and to understand the curricular expectations of the course. Therefore, we recommend you do not ask specific questions regarding your child's progress at that time. If you have a specific question regarding your child, we encourage you to set up a time to meet with the teacher or to send them an email!
