

Hopewell Harvest Reached a New Record!

The Hopewell Harvest bills have been paid and all deposits have been made. Drumroll please...this year we reached a new record. **Hopewell Harvest raised \$26,186.75!!** This is over \$1,000 more than we first anticipated! Absolutely amazing!

A HUGE THANK YOU to all those who donated, volunteered and attended Hopewell Harvest. YOU made this event a success and make our elementary school great! This money will be used for things such as the visiting Author and Artist, Winter Program decorations, the Variety Show and Family Fun Nights. It is used for special programs such as the Hour of Code and supplemental birthday book purchases. In addition, every teacher will receive \$100 for classroom supplies and can also apply for a grant if they have other needs throughout the school year. There are a lot of things needed at Hopewell and this money makes it possible.

Thank you again for your support! Hopewell Harvest is a great event for our kids and our school and we couldn't have done it without you!

Shawna Shields and Lauren Sels
Hopewell Harvest Co-Chairs
