

Winter Program

The Riverdale Heights Elementary Winter Program is on schedule for December 8. There will be an all school performance at 9:00 a.m. for families whose children have a **last name that starts with A-J** and another performance at 1:00 p.m. for families whose children fall in **the K-Z category**. The performances will last about 1 hour. Both performances will be held in the gymnasium. We encourage audience members to stay for the entire performance, but if you are not able to stay for the complete concert, please sit in the back to minimize distraction to the students. **Parking** is always a struggle, especially when the weather doesn't cooperate. We have 103 parking slots in our main lot. There will be approximately ninety (90) available for visitors. We are expecting up to 300 cars for each performance, therefore I urge you to car pool or take the shuttle service from **Crow Creek Park, 4800 N. Devils Glen Rd., Bettendorf.**
