

Riverdale Heights Winter Program Parking Shuttle

Riverdale Heights is very excited for the Winter Program next week, on Friday, December 15th! There will be two all school performances: one at 9:00 a.m. for families of children with a last name starting with letters A-J, and one at 1:00 p.m. for families of children with a last name starting with letters K-Z. Each performance will last about one hour and will be held in the gymnasium. We encourage audience members to stay for the entire performance, but if that is not a possibility, please sit in the back to minimize distraction to the students.

With the large crowds expected, parking might be a struggle, especially if the weather doesn't cooperate. There are 103 parking slots in the main parking lot, with approximately 90 available for visitors. Each performance is expecting up to 300 cars, so it is recommended that you to carpool or take the shuttle service from Crow Creek Park, 4800 N. Devils glen Rd., Bettendorf. Below is more information on the shuttle service!
