

World Culture Night

Friday, February 23 (6:30 – 8:00 p.m.)

We are excited for our first World Culture Night at Hopewell!

World Culture Night will celebrate the diverse cultures found in countries throughout the world as well as in our school. It will be a fun-filled event emphasizing understanding, acceptance, empathy and unity. This event is scheduled for Friday, February 23rd from 6:30 – 8:00 p.m.

To make this event a success we need your participation to help showcase a country of which you are familiar. We would like the displays to help our students learn about a country's people and places and may include:

- • Size and location of the country
- • Capital and Country Flag
- • Typical day-to-day lifestyle
- • Cultural traditions
- • Common foods of the country
- • Any interesting facts!

We would also like to showcase dances, games, foods to share, etc. from the different countries. We are hopeful that both parents and students will want to participate in creating the displays, as well as dancing, games and food preparation. Please encourage your children to help you with your participation.

Children who attend this event will be given a "Passport" as they come that night so that they can get a sticker "stamp" for each country they visit. At the end of the night, they can show their "stamped" passports and receive a prize.

Please contact Maria Baig at mariaomer@yahoo.com if you would like to be a part of this fun event!
