

**Junior Achievement's BIZ TOWN needs volunteers to assist with 4th grade job interviews at Pleasant Valley**

It's that time of year again!!!! We are looking for over 60 volunteers to assist us with interviewing 400 4<sup>th</sup> grade students for JA's BizTown program.

JA BizTown is a nationally recognized, innovative learning curriculum in which students are given a chance to experience economic education in new, exciting, and imaginative ways. After learning about basic economic concepts in their classrooms, students will spend a day at BizTown. They will operate a bank, post office, radio station, café, newspaper office, city hall, and retail shops all outfitted with modern office equipment and business supplies.

A preliminary step to running these businesses is to apply for the jobs available. This involves filling out an application and going through an interview process. Each student will have the opportunity to hold one job, possibly one in which they applied for.

Interviews for the 4<sup>th</sup> grade students will take place on Tuesday, April 16<sup>th</sup>, from 9:00-11:45 AM in the Pleasant Valley Junior High gymnasium. The schedule is as follows:

|             |                              |
|-------------|------------------------------|
| 8:30-8:45   | Interview Volunteer Check-in |
| 9:00-9:35   | Cody and Bridgeview          |
| 9:40-10:15  | Hopewell                     |
| 10:20-10:55 | Pleasant View                |
| 11:00-11:35 | Riverdale Heights            |

Possible interview questions will be provided, and each volunteer will interview approximately 5-7 students per session, each lasting about five minutes.

If you would be willing to assist us with this extraordinary experience for our Pleasant Valley kids, please email Mary Beth Kunau @ [kunaumarybeth@pleasval.k12.ia.us](mailto:kunaumarybeth@pleasval.k12.ia.us)

Thank you in advance for your participation.
